

Public Notification: Traffic Management

Saturday 28th September 2024 - G.J. Gardner Homes Whangamatā Half Marathon

Temporary Traffic Management will be in place on the morning of Saturday 28th September 2024 for the annual run/walk event. We encourage all residents to review the table below, and the map overleaf; both of which highlight the areas of traffic management which may impact you.

Road closures, lane closures, on-street parking restrictions and Stop/Go Traffic Management will be in place; please allow more time for each trip, please expect delays, and please consider alternate travel routes and travel times on event day. Access inside affected road closure areas will be allowed for residents of those areas only.

The G.J Gardner Homes Whangamatā Half Marathon organising team would like to thank all residents and businesses for their on-going cooperation, support and patience. If you need help with a traffic management query please text 'TRAFFIC' and your name to 027 694 0884 for a callback.

More event information, including a colour version of the map shown overleaf (and all course maps) can be viewed @ www.whangamatahalfmarathon.co.nz
